

Sunshine Ranches HOA, June 2016

Message from the President (Ani Ruiz Chang)

Hi neighbors,

Another month just swooshed (is that a word?) by all of us, time is really in a hurry these days!

I am happy to share that our membership is at 240 residents already, and I wish I could thank each and every one of the 240 members personally! Your support means so much, it is making a difference and I am thrilled that you have joined us. If possible, take another little step and volunteer at any of our Committees, even if for a season (could be 30 days, 90 days, etc.), we need sharp minds, kind hearts and helping hands to help execute all the wonderful things we are planning for our neighborhood.

Of course, I have to give some attention to my non-members as well – so I encourage everyone that has not yet sent the membership fee to do so this month! If you have any questions or doubts about how your money is being spent, call me directly – I would love to chat with you and address any concerns. Our 2016-17 goal is 375 members, so we are 135 members shy of our stated goal...and that means we need YOU!

Once you mail in that payment, do not forget to take advantage of some of your member benefits! Submit your personal ads (year-round), and send in articles and/or family announcements for publication to sunshinerancheshoa@gmail.com.

In June, we are finally landscaping our Flamingo & Stirling Entry Sign, and working on signage design that is compatible with our “brand” and rural style. We are also inviting all of you to submit “Honor Plaque” nominees for any founder, pioneer or servant-leader that is deserving of the recognition; read about it on Page 7 of this publication.

This month I also want to remind you to slow down while driving our streets, to be especially conscious of not dropping or allowing debris in our canals, and to make sure you close your garbage and recycling lids so that we deter animals from making a mess on our yards and streets overnight. Sometimes the simple things go a long way, but we have to do them as a team in order to see the full benefit.

As always, enjoy many summer activities in this precious little BIG Town of ours, and I look forward to seeing you at the upcoming meetings (4th Wednesday of every month, 7:30 PM @ Town Hall).

See you there,

Ani
